

# Crunchtime Labor

Cut labor costs and build better schedules

Crunchtime replaces guesswork with AI-driven forecasting and real-time data – so every manager schedules like your best one, from day one.

## Crunchtime Labor is how restaurant operators:

### Optimize Staffing Levels

Schedule the perfect balance of employees to meet demand for every shift – no more over-or-under-staffing.

### Achieve Labor Cost Goals

Identify opportunities to achieve system-wide cost control and empower managers to make agile scheduling decisions for profitability.

### Ensure Labor Law Compliance

Avoid labor law violations and confidently create fully compliant schedules in every U.S. jurisdiction.

With Crunchtime, we now run labor 2% lower than before. We've learned how to be more efficient and now we're more profitable with fewer guests.

### Manage schedules from anywhere

With a free mobile app, team members can easily swap shifts or pick up new shifts. Managers can quickly approve the schedule changes and send out communication to keep the team aligned.

### Fully integrated compliance you can trust

Each shift schedule is checked against local, state, and federal labor laws to ensure compliance with regulations, and eliminate overtime and legal fines pertaining to labor law violations.

# How we help

## Schedule Smarter

Automated Scheduling assigns open shifts to employees with the right skill level and availability so you can create better schedules, with less effort.

## Easy management oversight

Get a complete view of your labor by generating reports for individual stores, regional stores, or system-wide. Real-time data helps you make better decisions, in less time.

## Keep employees happy

Give your employees scheduling flexibility with an easy-to-use app to view schedules, verify time worked, request time off and more. Achieve full shift coverage and more engaged team.

## Integrations with payroll and other systems

Build efficient workflows by connecting with the best POS, HR, and payroll applications for your business.
