

Crunchtime Ops Execution

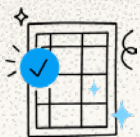

FOR FRANCHISEES

Crunchtime Ops Execution helps franchisees consistently execute on key tasks and processes at every store. By driving consistent operations at every location, franchisees can more easily achieve their goals, whether it's opening more stores, meeting growth mandates, or improving profit margins.

With their time freed up from Ops Execution, Tacala Companies' managers can focus more on providing an exceptional guest experience and ensure the delivery of safe food with kind service."

Ken Guardino
Ops Services Director
Tacala (354 Taco Bell locations)

Deliver best-in-class guest experiences

Standardize daily operations to ensure they're done right, with clear visibility for management into the work being done.

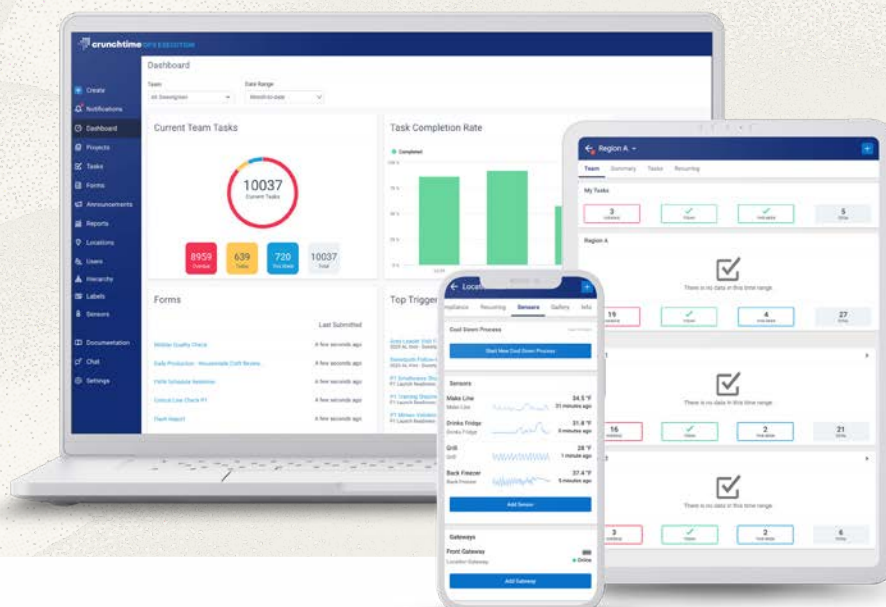

Know what's happening in stores and fix issues fast

Keep audit scores and brand standards high by getting the right people the right real-time data to quickly address store issues.

Scale your operation to fuel growth

Show you're a top choice for growth opportunities through consistent performance and delivering on corporate priorities.

Power more consistent operations at every level of your business

Execute daily tasks

Give employees clear direction on the work that needs to be done. Use Ops Execution forms for key processes, like:

- Daily checklists and tasks
- Food safety process
- Incident management
- And more

Fix issues fast

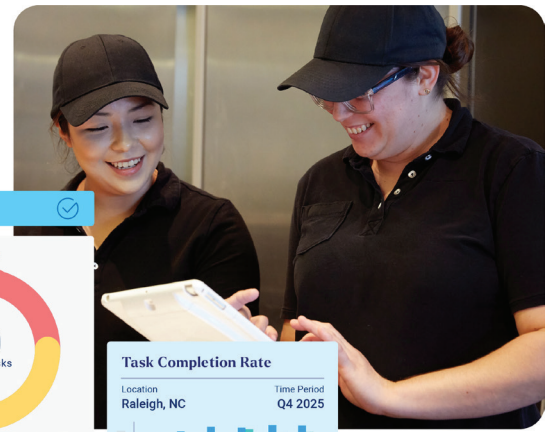

With better visibility into what's happening at stores, you can proactively address issues. Ops Execution easily tracks:

- Audits
- Store walk-throughs
- Top triggers and issues

Grow with confidence

Quickly access the data and insights you need to prove you're a top choice for growth.

- Real-time reporting and dashboards
- Location attributes for clearer reporting
- API integrations
- BI tool integration
